SUBJECT INDEX, Volume 42

Abortion
Pregnancy interruption using mifepristone (RU-486): A new choice for women in the USA (Mackenzie, Yeo), 42(2):86

ACNM Certification Council
Development and outcomes of the multiple-choice format national certification examination in nurse-midwifery and midwifery (prof update) (Fullerton, Parker, Severino), 42(4):349

ACNM clinical bulletins
Clinical bulletin no. 1—June 1996: limited obstetrical ultrasound in the third trimester (ACNM Clinical Bulletins), 42(4):344
Clinical bulletin no. 2—January 1997: early onset group B strep infection in newborns, prevention and prophylaxis (ACNM Clinical Bulletins), 42(5):403

Ambulation
The relationship of ambulation in labor to operative delivery (Albers, Anderson, Cragin, Daniels, Hunter, Sedler, Teaf), 42(1):4

American College of Nurse-Midwives (ACNM)
Clinical bulletin no. 1—June 1996: limited obstetrical ultrasound in the third trimester, 42(4):344
The core competencies for basic midwifery practice: adopted by the American College of Nurse-Midwives (May 1997), 42(5):373
The core competencies for basic midwifery practice: critical ACNM document revised (edit) (Roberts, Sedler), 42(5):371
Fellowship in the American College of Nurse-Midwives: who's who among newly inducted ACNM Fellows, 42(4):316
Obstetric first aid in the community—partners in safe motherhood: a strategy for reducing maternal mortality (public health perspec) (Sibley, Armbruster), 42(2):117
Pharmacologic management of common health problems in women: a professional evolution (edit) (Llanes-Oberstein), 42(3):143
What's in a name: defining the profession of midwifery (edit) (Kraus), 42(2):69

Anesthesia
Epidural anesthesia in labor: benefits versus risks (King), 42(5):377
Informed consent for epidural analgesia in labor (Mann, Albers), 42(5):389

Barometric pressure
Association between significant decrease in barometric pressure and onset of labor (res exch) (King, Fleschler, Cohen), 42(1):32

Birth center
Evaluation of a reduced-frequency prenatal visit schedule for low-risk women at a free-standing birthing center (Walker, Koniak-Griffin), 42(4):295
Transfer rates from freestanding birth centers: a comparison with the National Birth Center Study (Fullerton, Jackson, Snell, Besser, Dickinson, Garite), 42(1):9

Cambodia
Providing culturally competent primary care for immigrant and refugee women: a Cambodian case study (Downs, Bernstein, Marchese), 42(6):499

Cardiovascular system
Pharmacologic management of cardiovascular problems in women (Davis, Stecy), 42(3):176

Cervical ripening
Methods of cervical ripening and labor induction (Summers), 42(2):71

Childbirth
The mother-friendly childbirth initiative: the first consensus initiative of the coalition for improving maternity services (prof update), 42(1):59
See also Labor

Clinical bulletins
See ACNM clinical bulletins

Clinical practice exchange
Abrupt onset of severe pain at term: a case report (clin pract exch) (Skovgaard, Christenson, McClard, Spoor-Sandefur, Kedley), 42(1):35
Can water immersion stop labor? (clin pract exch) (Odent), 42(5):414
Depot medroxyprogetserone: management of side-effects commonly associated with its contraceptive use (clin pract exch) (Archer, Irwin, Jensen, Johnson, Rorie), 42(2):104

Collaborative practice
Certified nurse-midwife and physician collaborative practice: piloting a survey on the Internet (Miller, King, Lurie, Choitz), 42(4):308

Contraception
See Family planning

Core competencies
The core competencies for basic midwifery practice: adopted by the American College of Nurse-Midwives (May 1997), 42(5):373

The following abbreviations are used: (bk/rev) book review, (clin pract exch) clinical practice exchange, (ed and clin pract prototypes) education and clinical practice prototypes, (ed exch) education exchange, (edit) editorial, (i and o) issues and opinions, (intl exch) international exchange, (jnl rev) journal review, (media rev) media review, (pharm update) pharmacology update, (prof affairs exch) professional affairs exchange, (prof update) professional update, (public health perspec) public health perspective, (res exch) research exchange.

0091-2182/97/$17.00 • PII S0091-2182(97)00146-8

The core competencies for basic midwifery practice: critical ACNM document revised (edit) (Roberts, Sedler), 42(5):371

Cultural competence

Providing culturally competent primary care for immigrant and refugee women: a Cambodian case study (Downs, Bernstein, Marchese), 42(6):499

Women's health and low-income housing (Welch), 42(6):521

Depot medroxyprogesterone

Depot medroxyprogetserone: management of side-effects commonly associated with its contraceptive use (clin pract exch) (Archer, Irwin, Jensen, Johnson, Rorie), 42(2):104

Dermatology

Primary care management of common dermatologic disorders in women (Emmons, Callahan, Gorman, Snyder), 42(3):228

Editorial

Communicating public health to midwives: promoting a population-based approach to primary care for women (edit) (Paine), 42(6):457

The core competencies for basic midwifery practice: critical ACNM document revised (edit) (Roberts, Sedler), 42(5):371

Epidurals, electronic fetal monitoring, and "Dolly": the role of technology in the care of women (edit) (McCool), 42(4):293

Evidence-based care: a new paradigm for clinical practice (edit) (Murphy), 42(1):1

Pharmacologic management of common health problems in women: a professional evolution (edit) (Llanes-Oberstein), 42(3):143

What's in a name: defining the profession of midwifery (edit) (Kraus), 42(2):69

Education

The core competencies for basic midwifery practice: adopted by the American College of Nurse-Midwives (May 1997), 42(5):373

The core competencies for basic midwifery practice: critical ACNM document revised (Roberts, Sedler) (edit), 42(5):371

Development and outcomes of the multiple-choice format national certification examination in nurse-midwifery and midwifery (prof update) (Fullerton, Parker, Severino), 42(4):349

Educational collaboration and innovation: the nurse-midwifery and family nurse-practitioner programs at the University of New Mexico (ed exch) (Overman, Viens), 42(2):112

A master's degree for entry-level ACNM-certified midwives: an option or necessity? (i and o) (Carrington, Decker), 42(4):364

Sculpting a nurse-midwifery philosophy: Ernestine Wiedenbach's influence (ed exch) (VandeVusse), 42(1):43

The University of California, San Diego nurse-midwifery bridge program: an opportunity to learn intrapartum nursing skills (ed and clin pract prototypes) (Hunter, Dixon, Lops), 42(5):427

Education and clinical practice prototypes

The University of California, San Diego nurse-midwifery bridge program: an opportunity to learn intrapartum nursing skills (ed and clin pract prototypes) (Hunter, Dixon, Lops), 42(5):427

Education exchange

Educational collaboration and innovation: the nurse-midwifery and family nurse-practitioner programs at the University of New Mexico (ed exch) (Overman, Viens), 42(2):112

Sculpting a nurse-midwifery philosophy: Ernestine Wiedenbach's influence (ed exch) (VandeVusse), 42(1):43

Endocrine glands

Pharmacologic considerations and management of common endocrine disorders in women (Payton, Gardner, Reynolds), 42(3):186

Epidural

Epidural anesthesia in labor: benefits versus risks (King), 42(5):377

Epidurals, electronic fetal monitoring, and "Dolly": the role of technology in the care of women (edit) (McCool), 42(4):293

Informed consent for epidural analgesia in labor (Mann, Albers), 42(5):389

Evidenced-based care

Evidence-based care: a new paradigm for clinical practice (edit) (Murphy), 42(1):1

Family nurse-practitioner

Educational collaboration and innovation: the nurse-midwifery and family nurse-practitioner programs at the University of New Mexico (ed exch) (Overman, Viens), 42(2):112

Family planning

Depot medroxyprogetserone: management of side-effects commonly associated with its contraceptive use (clin pract exch) (Archer, Irwin, Jensen, Johnson, Rorie), 42(2):104

Father

Becoming a father: first-time father's experience of labor and delivery (Chandler, Field), 42(1):17

Fellowship in the American College of Nurse-Midwives

Fellowship in the American College of Nurse-Midwives: Who's who among newly inducted ACNM Fellows, 42(4):316

Gastrointestinal system

Pharmacologic management of common gastrointestinal health problems in women (Brucker, Faucher), 42(3):145

Group B streptococcous (GBS)

Clinical bulletin no. 2—January 1997: early onset group B strep infection in newborns, prevention and prophylaxis (ACNM Clinical Bulletins), 42(5):403

Patient preference for self-collected cultures for group B streptococcus in pregnancy (res exch), (Taylor, Mercer, Englehardt, Fricke), 42(5):410

Risk of device for direct detection of group B streptoccal antigen (FDA safety alert), 42(5):408

Guatemala

A study of the beliefs and birthing

practices of traditional midwives in rural Guatemala (intl exch) (Lang, Elkin), 42(1):25

Gynecology
Depot medroxyprogetserone: management of side-effects commonly associated with its contraceptive use (clin pract exch) (Archer, Irwin, Jensen, Johnson, Rorie), 42(2):104
Pharmacologic management of sexually transmitted diseases (Roe, Gudi), 42(3):275

Heart disease
See cardiovascular system

Home birth
Home birth and short-stay delivery: lessons in health care financing for providers of health care for women (Germano, Bernstein), 42(6):489
Physician- and midwife-attended home births: effect of breech, twin, and post-dates outcome data on mortality rates (Mehl-Madrona, Madrona), 42(2):91

Induction
Methods of cervical ripening and labor induction (Summers), 42(2):71

International Exchange
A study of the beliefs and birthing practices of traditional midwives in rural Guatemala (intl exch) (Lang, Elkin), 42(1):25

International midwifery
Obstetric first aid in the community—partners in safe motherhood: a strategy for reducing maternal mortality (public health perspec) (Sibley, Armbruster), 42(2):117
A study of the beliefs and birthing practices of traditional midwives in rural Guatemala (intl exch) (Lang, Elkin), 42(1):25

Internet
Certified nurse-midwife and physician collaborative practice: piloting a survey on the Internet (Miller, King, Lurie, Choitz), 42(4):308

Intrapartum care
The relationship of ambulation in labor to operative delivery (Albers, Anderson, Cragin, Daniels, Hunter, Sedler, Teaf), 42(1):4
Transfer rates from freestanding birth centers: a comparison with the National Birth Center Study (Fullerton, Jackson, Snell, Besser, Dickinson, Garite), 42(1):9

Medical reviews
42(2):122; 42(5):443

Medical abortion
See abortion

Mental health
Psychopharmacologic management of women with common mental health problems (Clarke, Paine), 42(3):254

Midwifery
Certified nurse-midwife and physician collaborative practice: piloting a survey on the Internet (Miller, King, Lurie, Choitz), 42(4):308
Communicating public health to midwives: promoting a population-based approach to primary care for women (edit) (Paine), 42(6):457
The core competencies for basic midwifery practice: critical ACNM document revised (edit) (Roberts, Sedler), 42(5):371

Development and outcomes of the multiple-choice format national certification examination in nurse-midwifery and midwifery (prof update) (Fullerton, Parker, Severino), 42(4):349
Educational collaboration and innovation: the nurse-midwifery and family nurse-practitioner programs at the University of New Mexico (ed exch) (Overman, Viens), 42(2):112
Evaluation of a reduced-frequency prenatal visit schedule for low-risk women at a free-standing birthing center (Walker, Koniak-Griffin), 42(4):295
Evidence-based care: a new paradigm for clinical practice (edit) (Murphy), 42(1):1
The historical relationship of nurse-midwifery with medicine (i and o) (Scoggin), 42(1):49
Midwifery as a discipline (i and o) (Bergstrom), 42(5):417
Population-based primary health care for women: an overview for midwives (Garceau, Paine, Barger), 42(6):465
Practice profile of members of the American College of Nurse-Midwives: findings of a direct mail survey (prof affairs exch) (Kraus), 42(4):355
Principles for a successful professional life (prof affairs exch) (Lubic), 42(1):53
The relationship of ambulation in labor to operative delivery (Albers, Anderson, Cragin, Daniels, Hunter, Sedler, Teaf), 42(1):4
Vaginal birth after cesarean in a hospital-based birth center staffed by certified nurse-midwives (Harrington, Miller, McClain, Paul), 42(4):304
What's in a name: defining the profession of midwifery (edit) (Kraus), 42(2):69

Mifepristone

Pregnancy interruption using mifepristone (RU-486): A new choice for women in the USA (Mackenzie, Yeo), 42(2):86

Musculoskeletal system

Pharmacologic management of common musculoskeletal disorders in women (Kriebs, Burgin), 42(3):207

Newborn

Epidural anesthesia in labor: benefits versus risks (King), 42(5):377
Macroscopic examination of the placenta immediately following birth (Baergen), 42(5):393
Public health approaches to community-based needs: Boston's infant mortality crisis as a case study (public health perspec) (Rorie, Richardson, Gardner), 42(6):527

Nurse-midwifery

See Midwifery

Nurse-midwifery philosophy

See Midwifery, Philosophy

Nurse-midwifery practice

See Midwifery

Nutrition

Nutritional concerns in women's primary care (Morris, Rorie), 42(6):509

Obstetric complications

Abrupt onset of severe pain at term: a case report (clin pract exch) (Skovgaard, Christenson, McClard, Spoor-Sandefur, Kedley), 42(1):35
Macroscopic examination of the placenta immediately following birth (Baergen), 42(5):393
Mechanisms of drugs that affect uterine motility (pharm update) (Sultatos), 42(4):367
Physician- and midwife-attended home births: effect of breech, twin, and post-dates outcome data on mortality rates (Mehl-Madrona, Madrona), 42(2):91
Public health approaches to community-based needs: Boston's infant mortality crisis as a case study (public health perspec) (Rorie, Richardson, Gardner), 42(6):527
The relationship of ambulation in labor to operative delivery (Albers, Anderson, Cragin, Daniels, Hunter, Sedler, Teaf), 42(1):4
A study of the beliefs and birthing practices of traditional midwives in rural Guatemala (intl exch) (Lang, Elkin), 42(1):25
Transfer rates from freestanding birth centers: a comparison with the National Birth Center Study (Fullerton, Jackson, Snell, Besser, Dickinson, Garite), 42(1):9

Operative delivery

The relationship of ambulation in labor to operative delivery (Albers, Anderson, Cragin, Daniels, Hunter, Sedler, Teaf), 42(1):4
Vaginal birth after cesarean in a hospital-based birth center staffed by certified nurse-midwives (Harrington, Miller, McClain, Paul), 42(4):304

Orthopedics

See Musculoskeletal system

Pain

Abrupt onset of severe pain at term: a case report (clin pract exch) (Skovgaard, Christenson, McClard, Spoor-Sandefur, Kedley), 42(1):35

Pharmacology

Pharmacologic considerations and management of common endocrine disorders in women (Payton, Gardner, Reynolds), 42(3):186
Pharmacologic management of cardiovascular problems in women (Davis, Stecy), 42(3):176
Pharmacologic management of common gastrointestinal health problems in women (Brucker, Faucher), 42(3):145
Pharmacologic management of common health problems in women: a professional evolution (edit) (Llanes-Oberstein), 42(3):143
Pharmacologic management of common lower respiratory tract disorders in women (Mays, Leiner), 42(3):163
Pharmacologic management of common musculoskeletal disorders in women (Kriebs, Burgin), 42(3):207
Pharmacologic management of sexually transmitted diseases (Roe, Gudi), 42(3):275
Primary care management of common dermatologic disorders in women (Emmons, Callahan, Gorman, Snyder), 42(3):228
Psychopharmacologic management of women with common mental health problems (Clarke, Paine), 42(3):254

Pharmacology update

Mechanisms of drugs that affect uterine motility (pharm update) (Sultatos), 42(4):367

Philosophy

The historical relationship of nurse-midwifery with medicine (i and o) (Scoggin), 42(1):49

Principles for a successful professional life (prof affairs exch) (Lubic), 42(1):53
Sculpting a nurse-midwifery philosophy: Ernestine Wiedenbach's influence (ed exch) (VandeVusse), 42(1):43

Placenta
Macroscopic examination of the placenta immediately following birth (Baergen), 42(5):393

Population-based health care
Population-based needs assessment: bringing public health to midwifery practice (Declercq, Bichell, Center), 42(6):478
Population-based primary health care for women: an overview for midwives (Garceau, Paine, Barger), 42(6):465
Women's health and low income housing (public health perspec) (Welch), 42(6):527
See also Special populations

Postpartum
Macroscopic examination of the placenta immediately following birth

Pregnancy complications
See Obstetric complications

Prenatal care
Clinical bulletin no. 1—June 1996: limited obstetrical ultrasound in the third trimester (ACNM Clinical Bulletins), 42(4):344
Clinical bulletin no. 2—January 1997: early onset group B strep infection in newborns, prevention and prophylaxis (ACNM Clinical Bulletins), 42(5):403
Evaluation of a reduced-frequency prenatal visit schedule for low-risk women at a free-standing birthing center (Walker, Koniak-Griffin), 42(4):295
Patient preference for self-collected cultures for group B streptococcus in pregnancy (res exch), (Taylor, Mercer, Englehardt, Fricke), 42(5):410
Transfer rates from freestanding birth centers: a comparison with the National Birth Center Study (Fullerton, Jackson, Snell, Besser, Dickinson, Garite), 42(1):9
See also Pharmacology, Primary care

Primary care
Communicating public health to midwives: promoting a population-based approach to primary care for women (edit) (Paine), 42(6):457
Home birth and short-stay delivery: lessons in health care financing for providers of health care for women (Germano, Bernstein), 42(6):489
Nutritional concerns in women's primary care (Morris, Rorie), 42(6):509
Pharmacologic considerations and management of common endocrine disorders in women (Payton, Gardner, Reynolds), 42(3):186
Pharmacologic management of cardiovascular problems in women (Davis, Stecy), 42(3):176
Pharmacologic management of common gastrointestinal health problems in women (Brucker, Faucher), 42(3):145
Pharmacologic management of common health problems in women: a professional evolution (edit) (Llanes-Oberstein), 42(3):143
Pharmacologic management of common lower respiratory tract disorders in women (Mays, Leiner), 42(3):163
Pharmacologic management of common musculoskeletal disorders in women (Kriebs, Burgin), 42(3):207
Pharmacologic management of sexually transmitted diseases (Roe, Gudi), 42(3):275
Population-based needs assessment: bringing public health to midwifery practice (Declercq, Bichell, Center), 42(6):478
Population-based primary health care for women: an overview for midwives (Garceau, Paine, Barger), 42(6):465
Primary care management of common dermatologic disorders in women (Emmons, Callahan, Gorman, Snyder), 42(3):228
Providing culturally competent primary care for immigrant and refugee women: a Cambodian case study (Downs, Bernstein, Marchese), 42(6):499
Psychopharmacologic management of women with common mental health problems (Clarke, Paine), 42(3):254
Public health approaches to community-based needs: Boston's infant mortality crisis as a case study (public health perspec) (Rorie, Richardson, Gardner), 42(6):527
Women's health and low-income housing (public health perspec) (Welch), 42(6):521

Professional affairs exchange
Practice profile of members of the American College of Nurse-Midwives: findings of a direct mail survey (prof affairs exch) (Kraus), 42(4):355
Principles for a successful professional life (prof affairs exch) (Lubic), 42(1):53
Trends in state laws and regulations affecting nurse-midwives: 1995–1997 (prof affairs exch) (Reed), 42(5):421

Professional update
Development and outcomes of the multiple-choice format national certification examination in nurse-midwifery and midwifery (prof update) (Fullerton, Parker, Severino), 42(4):349
The mother-friendly childbirth initiative: the first consensus initiative of the coalition for improving maternity services (prof update), 42(1):59

Public health
Communicating public health to midwives: promoting a population-based approach to primary care for women (edit) (Paine), 42(6):457
Home birth and short-stay delivery: lessons in health care financing for providers of health care for women (Germano, Bernstein), 42(6):489
Nutritional concerns in women's primary care (Morris, Rorie), 42(6):509
Obstetric first aid in the community—partners in safe motherhood: a strategy for reducing maternal mortality (public health perspec) (Sibley, Armbruster), 42(2):117
Population-based needs assessment: bringing public health to midwifery practice (Declercq, Bichell, Center), 42(6):478
Population-based primary health care for women: an overview for midwives (Garceau, Paine, Barger), 42(6):465
Providing culturally competent primary care for immigrant and refugee women: a Cambodian case study

(Downs, Bernstein, Marchese), 42(6):499
Public health approaches to community-based needs: Boston's infant mortality crisis as a case study (public health perspec) (Rorie, Richardson, Gardner), 42(6):527
Women's health and low-income housing (public health perspec) (Welch), 42(6):521
See also Primary care

Public health perspectives
Obstetric first aid in the community—partners in safe motherhood (public health perspec) (Sibley, Armbruster), 42(2):117
Public health approaches to community-based needs: Boston's infant mortality crisis as a case study (public health perspec) (Rorie, Richardson, Gardner), 42(6):527
Women's health and low income housing (public health perspec) (Welch), 42(6):521

Regulations for practice
Trends in state laws and regulations affecting nurse-midwives: 1995–1997 (prof affairs exch) (Reed), 42(5):421

Research
Evidence-based care: a new paradigm for clinical practice (edit) (Murphy), 42(1):1

Research exchange
Association between significant decrease in barometric pressure and onset of labor (res exch) (King, Fleschler, Cohen), 42(1):32
Patient preference for self-collected cultures for group B streptococcus in pregnancy (res exch), (Taylor, Mercer, Englehardt, Fricke), 42(5):410
Variability in breathing patterns during latent labor: a pilot study (res exch) (Hesson, Hill, Bakal), 42(2):99

Respiratory system
Pharmacologic management of common lower respiratory tract disorders in women (Mays, Leiner), 42(3):163

RU-486
See Mifepristone

Sexually transmitted diseases
Pharmacologic management of sexually transmitted diseases (Roe, Gudi), 42(3):275

Special populations
Communicating public health to midwives: promoting a population-based approach to primary care for women (edit) (Paine), 42(6):457
Population-based needs assessment: bringing public health to midwifery practice (Declercq, Bichell, Center), 42(6):478
Population-based primary health care for women: an overview for midwives (Garceau, Paine, Barger), 42(6):465
Providing culturally competent primary care for immigrant and refugee women: a Cambodian case study (Downs, Bernstein, Marchese), 42(6):499
Public health approaches to community-based needs: Boston's infant mortality crisis as a case study (public health perspec) (Rorie, Richardson, Gardner), 42(6):527
Women's health and low-income housing (public health perspec) (Welch), 42(6):521
See also Public health

Technology
Epidurals, electronic fetal monitoring, and "Dolly": the role of technology in the care of women (edit) (McCool), 42(4):293

Therese Dondero Keynote Address
Principles for a successful professional life (prof affairs exch) (Lubic), 42(1):53

Traditional birth attendant
Obstetric first aid in the community—partners in safe motherhood: a strategy for reducing maternal mortality (public health perspec) (Sibley, Armbruster), 42(2):117
A study of the beliefs and birthing practices of traditional midwives in rural Guatemala (intl exch) (Lang, Elkin), 42(1):25
What's in a name: defining the profession of midwifery (edit) (Kraus), 42(2):69

Ultrasound
Clinical bulletin no. 1—June 1996: limited obstetrical ultrasound in the third trimester (ACNM Clinical Bulletins), 42(4):344

Uterus
Mechanisms of drugs that affect uterine motility (pharm update) (Sultatos), 42(4):367

Vaginal birth after cesarean
Vaginal birth after cesarean in a hospital-based birth center staffed by certified nurse-midwives (Harrington, Miller, McClain, Paul), 42(4):304

Wiedenbach, Ernestine
Sculpting a nurse-midwifery philosophy: Ernestine Wiedenbach's influence (ed exch) (VandeVusse), 42(1):43
